CONTENT 

Play, enjoy and listen the Concerto 576

The Concerto series is a dream. Inspired by the old pipe organ in its many forms, Content Organs has developed a world-class organ, the Concerto 576. With as many as four unique sound worlds and a treasure of stops, each organ sounds work as dreamed. A musical accession!

Ready for the feature

The proprietary Invention Technology makes it possible to realize this sounds adequately and at an unprecedented level of quality. The most beautiful pipe organ voices sound realistic. From a solid 32' to a clear 1' and a romantic string to luminous Sesquialtera. With 112 orchestral voices making the Concerto a true dream organ. Our team of experts worked for years with passion, precision and pleasure to make this unique organ for you.

Invention Technology

The Concerto 576 is characterized as a broad sounding and well performing organ with a sophisticated ton defenition. An organ for the future. Not only in terms of opportunities, also in terms of design. The digital techniques provide an energy efficient organ. Time for an introduction. Play, enjoy, listen to and experience the Concerto 576 and experience our qualities.
